A Spatial Discipline

Geometric Design

Iqrup +Ritz has launched Samos Shelf which is inspired by the Greek philosopher and mathematician Pythagoras who was born on the Greek Island of Samos, hence the name Samos Shelf. The Shelf is detailed with triangles of different sizes in the front and at the back inspired by his Pythagorean Theorem for triangle. Handcrafted with solid beech wood, this shelf can be finished with a variety of polish colours ranging from the updated weathered black and dark ash to the more classic brown.
